

THE ANATOMY OF A *sandwich*

bread

The legs of your sandwich. The vehicle for your delectable beast. The chariot for your glorious sandwich middles. Your sandwich would be no where without it. The etiquette of a savage.

meat

The muscle behind every chewy bite. The meat brings strength and power to any self respecting sandwich.

lettuce

Bring me a shrubbery!

cheese

The heart and soul of your sandwich. Crucial to

tomatoes

Ah yes, the juicy tomato. Although not a necessary player, a welcome addition to the team.

bread cont.

A second slice of carbohydratey goodness traps the middles to complete the finishing touch.

mmm

With their powers combined the ingredients morph together to make one Megazord of a meal.
